

## CAMP RULES

**This form must be submitted prior to or brought to camp check-in.**

Mac's National Soccer School goal is to provide you with a safe and enjoyable experience while on our campus; however, we must be thoughtful enough not to interfere with the regular University program as well as another camper's experience.

*All campers must adhere to the following rules:*

- 1) Conduct yourself as a lady or a gentleman at all times.
- 2) Campers are prohibited from entering dormitories other than those used for their Program. There will be NO VISITATIONS between boys and girls in dormitory rooms.
- 3) The residence halls will be closed and locked at ALL TIMES. To re-enter, you must be accompanied by a program counselor. Back doors of the dorms are fire doors and must NOT be opened under any other circumstances.
- 4) No more than 4 campers in a room at one time. No entering other camper's rooms unless invited by both residents of that room.
- 5) No intoxicants or controlled substances will be allowed in camp at any time during the program. Anyone abusing this rule will be dismissed from the camp and sent home. All University of Tulsa facilities are "Smoke Free" - including residence halls.
- 6) "Quiet" zones should be maintained in and around residence halls and classroom facilities at all times. No bouncing balls in building and no games in dorms.
- 7) No camper shall leave the campus for any purpose without permission from the Camp Director.
- 8) If you drive your own automobile and plan to keep it here during the camp, you will be required to turn your keys in at registration. They will be returned to you at the end of the program. Campers will not be allowed to operate their personal vehicle during the camp.
- 9) Attendance at all training, classroom sessions and other camp functions are MANDATORY. Arrive **5 minutes early** for each departure time.
- 10) If you are injured, or for any reason need medical attention, do not hesitate to contact a member of the Mac's National Soccer School Staff.
- 11) All medications brought to camp must be reported to the Mac's National Soccer School Training Staff.
- 12) No Cleats in Building, or Cafeteria. Put all trash in trash cans. Pizza boxes go in dumpster.
- 13) Be a HAPPY CAMPER!

I agree to comply w/ the above camp rules.
